Strong Job Market Expected for San Antonio

March 11, 2008 – San Antonio area employers expect to hire at a healthy pace during the second quarter of 2008, according to the Manpower Employment Outlook Survey.

From April to June, 35% of the companies interviewed plan to hire more employees, while 10% expect to reduce their payrolls, according to Manpower spokesperson Roxanne Esquivel. Another 55% expect to maintain their current staff levels.

“Compared with the first quarter of 2008 when 27% of companies interviewed intended to add employees, and 12% planned to reduce staff levels, area hiring levels appear to be stronger,” said Esquivel. “Hiring plans are similar to one year ago, when 27% of companies surveyed planned to increase staff levels and 4% expected to cut payrolls.”

For the coming quarter, job prospects appear best in Durable and Non-Durable Goods Manufacturing, Wholesale/Retail Trade, Services and Public Administration. Employers in Transportation/Public Utilities and Finance/Insurance/Real Estate plan to reduce staffing levels, while those in Construction voice mixed hiring intentions. Hiring in Education is expected to remain unchanged.

Sixty percent expect no change in the hiring pace, and 5% are undecided about their April – June hiring plans.

The next Manpower Employment Outlook Survey will be released on June 10, 2008 to report hiring expectations for Quarter 3 2008.
